At approximately 0646 hrs., Officers were dispatched to the area of Airport Rd. and N. Marguerite for a report of a naked man running in the street, hitting vehicles and screaming. Officer Kaminski 586 located the subject at the intersection of Airport Rd. and Henquin Dr. in the parking lot of "Tim Allens' Cleaning Service" 205 Henquin Dr.

The subject later identified as; Moore, Jason B/M 03-04-80, was completely naked staring out at Airport Rd.. Officer Kaminski told Moore to place his hands over his head and walk towards him. Moore began to yell and moved towards Officer Kaminski. Officer Kaminski told Moore to stop and get on the ground, but Moore continued to advance. Officer Kaminski backed away, ordering Moore to stop, however Moore only began to run at Officer Kaminski, screaming and swinging his fists. Officer Kaminski then deployed his department issued TASER, striking Moore with a probe into his chest and a probe into his right upper thigh area. Moore, after initially falling to the ground, attempted to regain his feet and Officer Kaminski ordered him to stay down, and was met with non-compliance. Officer Kaminski administered a second, 5 second burst which placed Moore back on the ground. Moore again tried to rise up and a third 5 second burst was administered, again placing Moore back onto the ground. Officer White 560 arrived and was able to pull Moores' arms behind his back and handcuff him. After being handcuffed, Moore tried moving his arms again but stopped when Officer White told him to. Officer White then requested an Ambulance and Supervisor to respond.

Myself and Officer Bebe 544 then arrived on scene, at almost the same instant that Officer White requested EMS and myself.

As I approached Moore and the Officers, Moore let out a raspy sound and appeared to stop breathing. Officer White released the handcuffs from Moore and said "He's not breathing". Officer White and Officer Bebe began chest compressions immediately, as I radioed dispatch to advise EMS the subject was not breathing. Chest compressions were continued by Officers White and Bebe until relieved by EMS and Fire personnel.

Moore was transported to Christian Hospital Northwest by Ambulance with CPR in progress. Officer Bebe followed the ambulance and stayed at the hospital until told by the attending physician; Dr. Patel that Moore had passed.
